

Year 3/4

Homework Menu: Sounds Fantastic!

Due date: One Piece Every Week - for a Wednesday!

Children should complete one piece of homework each week so that at the end of each half term every curricular area has been covered.

The children should complete a minimum of 20 points over the half term. **The first piece is due in on Wednesday 11th January 2023**

Curricular Areas	KNOWLEDGE AND COMPREHENSION What do I know and understand?	APPLICATION Can I apply and show what I know?	ANALYSIS What can I question, compare and analyse?	SYNTHESIS What can I create?	EVALUATION Can I evaluate and make judgements?
I enjoy being scientific	Name 5 objects that you have/use that create sound.	Draw a diagram of the ear and label the different parts.	Make and record your own piece of music using objects from around your house. Experiment with changing the volume and the pitch.	Create a 3D model of a natural disaster.	Create a game that uses sound.
I enjoy painting, drawing and visualising	Look at the architecture of Antoni Gaudi, produce a drawing of one of his buildings.	Research an artist that creates work inspired by natural disasters.	Using materials of your choice, design a setting for your own fantasy story.	Create your own fantasy creature using materials of your choice and explain to your class what makes it fantastical!	Create a model of one of Antoni Gaudi's buildings using items you would normally throw away!
I enjoy being active and doing hands-on activities	Name 5 different balances or movements.	Draw a picture of your body and label the parts that get fitter and healthier when we take part in sporting activities.	Create a sequence of balances and movements (of at least 10) - write them down and/or perform it!	Create a drawing of a famous gymnast and write 3 key facts about them.	Watch a video of a famous gymnast in action and write a review of how they performed. Check out videos of the Commonwealth games in Birmingham 2022 on Youtube.
Points per activity	2	4	6	8	10

Work at home information:

This year, we are launching Bedrock Vocabulary, which is a fabulous interactive programme that develops the children's vocabulary. We are using it in school and would like the children to use it alongside their school learning at home. 5 dojo points will be given to the children who complete 15 minutes across the week - it can be in small sessions of 5 minutes. Any device can be used to access this app, as long as the internet is available.

For their maths, we use Times Tables Rock Stars (TTRS) to help improve their times table knowledge. Again, we expect 15 minutes across the week to spend practising their maths skills. 5 dojos will be awarded for those who complete this 😊

We will be able to see who has gone on both of these things at home by going on to the app and looking at weekly engagement, then we will give dojo points out accordingly
